

CANTEEN ROSTER

Hayes Park Public School is a voluntarily run canteen; one of the few left in the Illawarra. What this means is that all the canteen profits go back into the school to assist in the purchase of books, equipment, improvements, etc for your child(ren).

We cannot run the Canteen without your help. Therefore, this correspondence is being sent out to all parents / grandparents of Hayes Park Public School children in the hope that you might be able to offer your time at the canteen once a month, or more with other parents to help prepare and serve the childrens' lunch and recess. In return, you will get to meet some other fantastic people and have your lunch and cuppa provided for free. This is an easy and great way to help your children / grandchildren and school. They also enjoy seeing you in the canteen.

Hayes Park Public School canteen is a Centrelink approved not for profit organisation and any volunteer hours completed by parents in the school canteen counts towards your activity requirements. Please contact Centrelink or your local Job Services Australia office direct to discuss your individual situation if this applies to you and you are unsure of your obligations.

If you can help, please complete the form below, detach and return it to the school office ASAP so we can organise the roster for next year.

If you are able to do more than one day and/or go on an emergency roster, please complete the '2nd Day' section but don't over commit yourself.

Thankyou
